Audits & Safety or Danatec
Confined Space Entry Level 1
4-6 hours*

Pre-requisite: Students must have Vessel Entry Experience

This program is designed to provide a basic level of understanding of the hazards of confined spaces and to assist the student in understanding the concepts, procedures and tools that are necessary for safe entry into confined spaces. Theory only. (Valid 3 years)

The student will be able to apply this understanding to: Identify confined spaces, potential hazards and control measures. As well as understand and apply existing procedures, assist in the development of safe procedures and improve the safety level of existing procedures
(Valid for 3 years) \$100.00 per person plus tax, Books included.
