*"A Life's worth of Training"*

*October 28, 2011*

## *ENFORM H2S Alive: Hydrogen Sulphide Training 8 hours*

This one-day course is intended for all workers in the petroleum industry who could be exposed to hydrogen sulphide (H<sub>2</sub>S).

The course covers the physical properties and health hazards of H<sub>2</sub>S, how to protect oneself and basic rescue techniques. Each student is required to operate self-contained breathing apparatus, a detector tube device, and participate in CPR and rescue lift and drag exercises.

An industry standard H<sub>2</sub>S Alive certificate valid for three years is issued upon successful completion of a written examination and demonstration of the required skills. Certification in CPR is not provided from this course.

**(Valid for 3 Years) H<sub>2</sub>S Alive \$165.00 per person plus tax, book included.**
