"A Life's worth of Training"

October 28, 2011

*Ground Disturbance
7-8 hours*

Certificate Meets the Requirements of Industry Recommended Practice (IRP)#17

Description: The focus of this course is damage prevention to all buried facilities and meets IRP 17 criteria for Ground Disturbance activities

This course is intended as a guide to safe practices during a ground disturbance, and is not a substitute for any legislation that applies to excavation and ground disturbance activity. It covers the basics of British Columbia and Alberta regulations and safety measures companies can take when performing a ground disturbance. **(Valid for 3 years) \$165.00 per person plus tax, Books included**
