

## Confined Space Entry and Rescue

Certification: WorkSafe BC

8 hours

\$250.00 plus GST

**Prerequisite: Student must present government issued photo identification at time of registration for this course. Students must be physically capable of performing a rescue. Due to Covid-19, it is mandatory for students to wear a mask when they are not packed up.**

Valid: 3 years

This course is intended to increase worker awareness of confined spaces and performing rescues. Students will learn how to identify hazards, understand regulations and legislation regarding entry and develop confidence with the use of rescue equipment in simulated scenarios.

### Course covers:

- Identifying a confined space
- Hazard assessment
- Safe work procedures
- Entry permits
- Testing the atmosphere
- Making the atmosphere safe
- Making the confined space safe from physical hazards
- Standby persons
- Rescue
- Personal protective equipment
- Coordination of work activities

**STUDENTS MUST MAINTAIN SOCIAL DISTANCING OF 6 FEET WHENEVER POSSIBLE.**

Certificates will be issued to students who complete an entry, simulated rescue and score 70% on the written exam.

\*Confined space pre-entry awareness is offered online at [www.jtsafetytraining.ca](http://www.jtsafetytraining.ca) Note: Confined space pre-entry awareness is not industry recognized for rescue requirements.
